

# ARE YOU LIVING WITH SOMEONE WHO USES POWER AND CONTROL OVER YOU?

Domestic and Family Violence is endemic in our society. It affects many women and children's lives. It is when one person exerts power and control over another. Women have fought for many years to have services available to women and children who are living with domestic and family violence.

PSFaNS is funded to provide assistance for women and children in these circumstances.

There are also teams of volunteers who have your back. For example, if you need to move Friends with Dignity will furnish and outfit your new home (you never meet them - they come in and do it and after you move in to a lovely space for you and your children (or just you).

## Some of what we offer at PSFaNS (and it all depends on what's right for you):

- Help with talking to the Police and getting an Apprehended Violence Order (AVO)
- Help with housing - to stay in your home or to move or temporarily move out
- Help with finances - financial counselling to help sort through any debts and budgeting with what you have, help with Centrelink, food help and financial assistance for those eligible
