

ARE YOU LIVING WITH SOMEONE WHO USES POWER AND CONTROL OVER YOU?

Domestic and Family Violence is when one person exerts power and control over another. It is widespread in our society and affects many women and children's lives.

Women have fought for many years to have services available to women and children who are living with domestic and family violence.

PSFaNS is funded to provide assistance for women and children in these circumstances - you don't need to do it alone.

There are also teams of volunteers who have your back. For example, if you need to move, Friends with Dignity will furnish and outfit your new home (you never meet them - they come in and do the work and afterwards you move in to a lovely space for you and your children (or just you).

Some of what we offer at PSFaNS (and it all depends on what's right for you):

- Help with talking to the Police and getting an Apprehended Violence Order (AVO);
- Help with housing - to stay in your home or to move or temporarily move out;
- Help with making you and your children feel safe and secure and your home secure;
- Personal security devices;
- Help with finances - financial counselling to help sort through any debts and budgeting with what you have, help with Centrelink, help with food/financial assistance, rental subsidies for those eligible, help with state debt through work development orders;
- Women Speak- a supportive group each Tuesday at 12.00pm (your children can participate in Children Speak at the same time, ie child care);
- Counselling for adults, young people, children and families;
- Legal advice;
- Playtime groups for parents with preschoolers;
- Children's groups;
- Parenting Programs.
