WE CAN
HELP

If you are eligible, any payments (eg through Centapay) will stop immediately and you will begin to "pay off" your debt. Any license restrictions* will lift overnight.

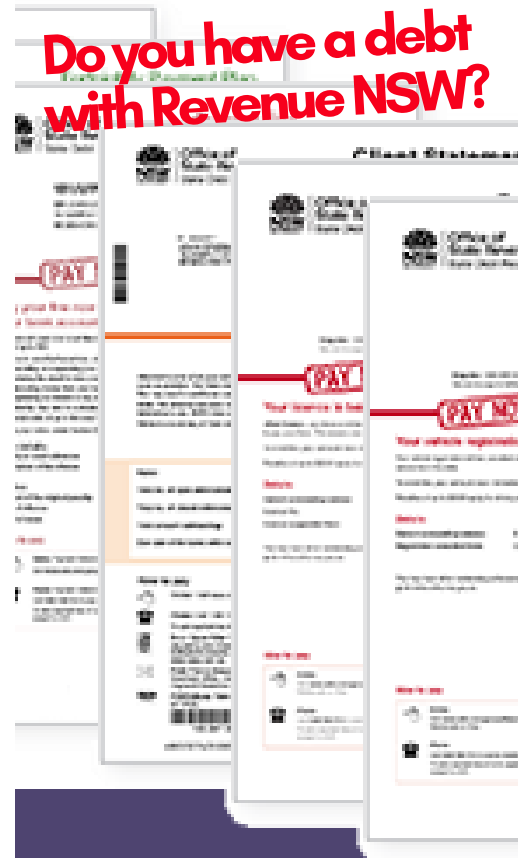

*If you are suspended or disqualified from driving, for reasons other than unpaid fines, a WDO will NOT lift your driving restrictions.

You may be eligible to "pay off" your debt by coming to any of our groups, seeing a children's or family worker or by volunteering.

Easy guide to Work and Development Order rates
