# Secret Santa CHRISTMAS DRIVE

Last year, PSFaNS supported **802** children and **424** young people and their families. Many of whom had been experiencing homelessness, domestic and family violence, and/or extreme financial distress.

**That number is a little higher this year!**

So we are calling on anyone in the community (businesses, organisations, groups and individuals) to be a Secret Santa for someone in need.

## HOW IT WORKS

### Option 1

Use the Secret Santa Shopping Guide for recommendations and donate as many **NEW** toys and food items as you choose (whether it's one gift or many, it all adds up). Drop your donation in to us and it will be assigned to someone in need and delivered in time for Christmas.

*OR*

### Option 2

Contact us and we will give you options (one gift or multiple gifts). You might even like to choose a whole family or multiple families. We will give you the ages & genders of children & young people on our list. **Note: we will not release any identifying details about those on our list.** Use our handy shopping list to record the details of those assigned to you. Drop your donation to us and our elves will deliver it in time for Christmas.
